

## **PUBLIC INFORMATION NOTICE**

The Wareham Police Department has been notified recently that we are eligible to apply to the Bureau of Justice Assistance for funds under a Justice Assistance Grant. The Plymouth County District Attorney's Office is the official applicant joining with the communities of Brockton, Wareham, and Plymouth. Wareham is eligible to apply for \$26,599.00 for crime prevention and public safety initiatives. The funds are available to use over a four year period of time.

It is our intention to utilize these funds to enhance community policing activities and traffic enforcement initiatives that would be otherwise curtailed through lack of other funding sources. Namely, it is our intent to fund the Citizen's Police Academy, The Neighborhood Action Teams, the Landlord Assistance Program, Crime prevention programs for both business owners and the elderly and perform specific traffic enforcement initiatives. The funds are available over the next four years.
