## CITIZEN'S POLICE ACADEMY

Chief Richard M. Stanley and the Wareham Police Department are pleased to announce the hosting of a Citizen's Police Academy Class. This is an informative and instruction program that provides an opportunity for citizens to get behind-the-scenes look at the various responsibilities and daily challenges facing the Wareham Police Department.

This class will meet every Thursday for eight weeks from 6:30 p.m. to 9:00 p.m. at the Police Station, and will cover such aspects as Criminal Law and related Police Functions. There will also be some off-site mock training experiences such as: patrol procedures, motor vehicle and felony stops, and simulated shootings. Participants will also have the opportunity to ride along with patrol officers on duty.

Applications will be available immediately at the police station, and should be returned there upon completion for background checks and consideration. The class has a tentative start date of October 1 with a graduation date of November 19.

Class size is limited so applicants are encouraged to apply early.

The academy is open to citizens who:

- Are eighteen (18) years of age or older
- Are a resident of or business owner in Wareham
- Have no felony convictions
- Have no misdemeanor convictions within one (1) year of application
- Have no pending criminal charges

Contact Sgt. Walcek for additional information or application questions at 508-295-1473, ext 417.
